rachelk@sutter.k12.ca.us

TCIP is authorized by the Commission on Teacher Credentialing to clear credentials for California educators who hold a Multiple Subject, Single Subject, Education Specialist, Administrative Services and/or Career Technical Education Credential. In partnership with school districts and County Offices of Education in Sutter, Yuba, and Colusa County, TCIP provides a local context for support and assessment. The mission of TCIP is to “accelerate educator effectiveness to accelerate student learning.”

The Technology Department provides computer and technical services among the Superintendent's Office, Feather River Academy, and Sutter County One Stop. It designs and supervises construction of all local and county-wide area computer networks for the county office. The department assists school districts in Sutter County to establish networks and systems within their schools and to connect to the county-wide area network. It also maintains financial and student information systems.

Shady Creek Outdoor School, located in Nevada City, serves approximately 5,000 fifth and sixth grade students from 40 school districts in nine Northern California counties. The program operates during the school year and emphasizes an enthusiasm for learning, caring, self-empowerment, and cooperation with others. Our curriculum is aligned to California Next Generation Science as well as California Common Core State Standards for ELA. Students study ecology, adaptations, conservation, wilderness survival, cycles and changes, meteorology, watersheds and stream study, in an environment focused on community and personal growth.

Special Education provides programs and services for individuals with disabilities from infant through age twenty-two. Individual Education Plans (IEPs) and Individual Transition Plans (ITPs) are established to ensure quality education to meet students' unique needs. Special Education includes those students with difficulties in speech, hearing, learning, and cognitive development.

Feather River Academy operates three programs for students in need of an alternative academic experience. The main campus program offers students an opportunity to address credit deficiencies and/or discipline concerns in a high school-like atmosphere. The independent study and opportunity programs offer educational experiences on an individual and/or small group basis.

Located on the Sutter County One Stop campus are the following programs: Adult Education; Regional Occupational Program Classes; Workforce Investment Act (WIA) for all of Sutter County; Employment Development Department Services; Workability I & II (serving disabled populations); and specialized projects that focus on at-risk populations. Assistance is provided to job seekers in job search, job referral, and career option research. Service is also provided directly to local businesses, i.e., small business development resources, tax incentives, assistance with new employee recruitment, a resource library, and meeting rooms. In addition, Sutter County One Stop has a contract with Sutter County Welfare and Social Services to provide staff to conduct the CalWORKs program. Sutter County One Stop uses a diverse offering of training and educational opportunities to serve both youth and adults in their efforts to complete education and vocational training goals as well as enhancing existing skills for better employment opportunities.

The Tri-County Regional Occupational Program (ROP), which serves Colusa, Sutter, and Yuba Counties, provides high quality job training and career guidance for in-school students (grades 9-12), out-of-school youth, and adults. The program works cooperatively with industry and business to provide these services to over 5,000 persons who will be entering the labor force and/or upgrading their skills.
