Indirect Costs (Objects 7310 and 7350)		0.00
Indirect Costs divided by Eligible Expenditures		0.00%

Proposition 30 included two temporary tax increases:

- A .25% increase in the sales and use tax for four years: 2013 through 2016,
- An increase in the income tax rate for taxable incomes of over \$250,000 for seven years: 2012 through 2018

Subsequently, voters approved Proposition 55 in 2016, which allowed the sales tax increase to expire in 2016 while extending the increased income tax rates through 2030.

The revenues from these tax increases are deposited into the EPA , and the funds are released to K-14 school agencies.

**EPA funds are not additional funds for local school agencies.** Rather, the EPA is another source of general purpose funds—similar to property taxes—that offsets what would otherwise be state aid in the apportionments issues to local school agencies.

Even though these are general purpose funds, there are some requirements that must be met.

- 1) Each year local school agencies are required to discuss the plan to spend EPA funds in a public meeting of the governing board, and the funds cannot be used for any administrative costs.
- 2) Upon closing the books each year, each local school agency is required to post on its website a report of the amount of EPA funds received for the year along with how the funds were used.

Our external audit firm will be required to verify that the EPA funds were used appropriately in accordance with the requirements of Proposition 30.
