

Connect To Broadband Internet For As Low As \$10-\$20/Month!

Internet is essential for school, health information and appointments, to find employment, and gathering day-to-day information. Do you need internet but can't afford it? Text INTERNET to 211-211 to learn more about low-cost internet services and how to apply.

Eligibility Requirements

There are two ways to qualify for low-cost internet. Your household income must be at or below the 135% of the Federal Poverty Level, or someone in your household must be enrolled in a government assistance program like:

- Supplemental Nutrition Assistance Program (SNAP)
- MediCal/Medicaid
- California Temporary Assistance Program for Needy Families (TANF)
- Public Housing Programs
- Supplemental Security Income (SSI)

Eligibility is also determined at the household level. So, if anyone in your household is enrolled in one of the Federal Government's assistance programs, you too are eligible for low cost internet.
