Initial placement without a CTE Credential will not exceed Column 1/Step 1.

Initial placement with a CTE Credential will not exceed Step 5. Column placement will be determined based on industry experience in the industry sector that aligns with the assignment.

One (1) year of experience in an industry sector is equivalent to nine (9) semester units.

All experience must be verified and within the industry sector that the employee is assigned.

A minimum of seventy-five (75) percent of the days of the school year (185 days) must be worked in order to advance to the next step.
